D. PEDro systematic review update in the BJSM

A new PEDro systematic review update has been published in the British Journal of Sports Medicine: [Different forms of exercise for chronic low back pain](#).

E. You can now save your search results on PEDro

It is now possible to save your search results in RIS (Research Information Systems) format on PEDro. RIS files can be imported into most referencing software (including EndNote).

The steps are:

1. Perform a PEDro search
2. Select the relevant records
3. Display the selected records
4. Click the “Save results” link
5. Save the file

We hope you find this feature useful.

F. Next PEDro update (February 2016)

Next PEDro update is on Monday 1 February 2016.
